3 Steps Know-*Let Go*-Become

Becoming Christlike is a journey. Everyone makes mistakes, but God wants us to be in relationships with people who will help us. When kids get frustrated, it's important to understand if they have the correct view of God and if they have let go of their control to allow for God's will. When an accurate knowledge of God and the will of God align, we are in union with Christ.

Know

KNOW GOD FAITH

Our greatest need is a correct view of God from which everything else flows. Our life problems result from an inaccurate knowledge of God. "What comes into our minds when we think about God is the most important thing about us." ~A.W. Tozer

01/

Let Go

SURRENDER CONTROL Faith + Will

We surrender our need for control to God and trust Him in everything. When we open our hearts and minds to God, we have complete faith in Him, we believe His promises, and we are free of fear.

02/

Become

BECOME CHRISTLIKE Union with Christ

Our life goal is to be set apart and made holy for God's special purpose. When we unite with Christ, we become holy and in union with God. "It's not what you do in life, it's who you become." ~Dallas Willard
